MCGC has come of age when it comes providing services into multiple and diverse areas and domains. We enjoy a considerable lead over our competition in terms of providing pragmatic solutions to an elite clientele for their various needs. Our assistance and support include, but are not limited to:

- **Merchant Global Exports of Traded Goods**
- **International Trade Laws Research Advising;**
- **Export Import Tariff Matters;**
- **Providing Exclusive Solutions Digital Export Import Education;**
- **Digital Business, Advertisement And Market Promotion Strategies**
- **Business Science Research Reports Development Services;**
- **Assistance In Determining Life Insurance Solutions & Products.**

And what's more, we, due to our large clientele base that enjoy a global presence; and we strive to provide 24X7 solutions for any query. This has been made possible due to our dedicated approach of providing all our services online.

We are equipped with an expert outfit led by a seasoned professional, who carries with him a vast exposure that spans across a cross section of diverse industries and global markets – has achieved a formidable reputation in the world of specialist services.

We do not follow the principle of '**One size fits all**', but instead we prioritize your requirements, your strength areas and objectives; and deliver suggestions that would suit the premise of your business; size of your concern; its work culture.

Our advisory always proves to be pivotal and works like a powerful tool that ensures increment in business and profitability of your concern. Our assistance and backup has helped many of our clients to save money and time in various large and small scale projects.

We make use of all the modern state of the art online and offline techniques and technology to evaluate the conditions and your requirements; design the best solutions to help your business spread vertically and horizontally.

Best Regards

Mahipat Singh
